## Our Parish News

### PRAYER

Let us keep one another in prayer, especially those ill or under quarantine from the Virus, care givers and one another.

### UPDATES FROM PARISH DURING COVID-19

We will be updating parishioners by email, on our website, and on our Facebook page. Currently, all public Masses and events in parishes are cancelled as of March 18 – April 5, 2020.

### LOOKING OUT FOR EACH OTHER

Practice safe 'social distancing'. Don't shake hands. Instead, wave, nod, smile, or elbow bump.

If you have seniors in your family or circle of friends, check on them with a phone call to make sure they are ok.

The Public Health Agency of Canada suggests neighbors create “a buddy system in which you agree to check in on each other and run essential errands if you become sick” – community support that is essential for older adults living alone.

Go for walks and greet the people you meet, just keep your distance.

Tell friends about online opportunities to enjoy concerts and other events.

Call 211 if you have any questions about services and resources available to you.

### DONATIONS TO THE CHURCH

If you wish to continue to donate to the church during this time of social distancing, you can donate through Canada Helps using a credit card, <http://canadianmartyrs.org/donate/> or drop your donation cheque in our mailbox or mail it to us. Thank you for continuing to support the church.

### SHARE LENT—DEVELOPMENT AND PEACE

One of the natural wonders of the Earth is the Amazon rainforest. Yet big companies threaten its wellbeing by building highways, railroads; by cutting the trees and polluting the waters. Indigenous and traditional peoples who try to protect the Amazon face violence, intimidation and persecution. Development and Peace-Caritas Canada invites us to stand in solidarity with them as they guard the Amazon. Please sign the letter on the D&P table at the back of the church and support the Solidarity Sunday collection as generously as possible.

### GIVE IT UP FOR THE EARTH!

Climate change is a tremendous challenge for the global community. Many see it as the critical issue of our time. As people of faith, it is an issue that reaches to the core of who we are and how we are to live in God's world. *“Climate change is a global problem with grave implications: environmental, social, economic, political and for the distribution of goods; it represents one of the principal challenges facing humanity in our day.”* — Pope Francis Please find pledge cards at the back of the church that you can sign and drop into a mailbox or fill out the pledge online: <https://cpj.ca/pledge-give-it-earth>.

### LENTEN FOOD DRIVE

We are supporting the Centretown Emergency Food Centre with a food drive during Lent. Please either donate non-perishable food items or donate through their website: <http://cefcottawa.org/donate/>

When preparing for confession do we reflect on our impact on all God's creation including the poor, our children and future generations? Do we pollute the earth with what we purchase, send waste to landfill that can be recycled/composted, contribute to climate change by wasting energy? Pope Francis calls us to conversion to a 'prophetic and contemplative lifestyle, one capable of deep enjoyment free of the obsession with consumption'(LS222). This is the first in a series of messages to young people leading to the international celebration of World Youth Day in Lisbon, Portugal in 2022 on the theme of "Mary arose and went with haste" (Luke 1:39).
